Curriculum vitae

Personal information

Name: Polina Moisseyenko

Date of birth: 22 June 1996

E-mail: moisseyenko.p@gmail.com

Phone: + 420 773 613 499

Education

2019/2021 – MSc. in Nature Conservation program at Czech University of Life Sciences in Prague. (Taught in English)

2016/2019 – Bc. in Applied ecology program at Czech University of Life Sciences in Prague. Bachelor thesis topic: "Tools for spatial statistics in ArcGIS" (Taught in Czech)

Languages

Russian – native speaker

English – writing, speaking (B2 level TOEIC Certificate)

Czech – writing, speaking (B2 level Charles University Certificate)

Work experience

March 2020 – September 2020 **ALS Czech Republic s.r.o.**

- Assistance in a laboratory: duties included working with PC (Excel, company software), paying attention to details (number of orders, sample name, type of analyses)

Activities related to the field of study

Summer 2017: Practical training at the Institute of Botany & Phytointroduction in Almaty, Kazakhstan

Tutoring of GIS and statistics subjects – 80 % of my students passed their test and exams successfully

Computer skills:

ArcGIS (ArcMap) – creating layers, working with attribute tables, providing spatial statistical analysis, creating maps

MS Office Excel – formatting cells, arithmetic, conditional formatting

R-Studio – manipulating with data, writing functions, providing statistical analysis (T-tests, non-parametric tests, regression, ANOVA, generalized linear models), working with graphics

Interests:

Participating in online courses of statistics and data analysis in R. Want to learn SQL.
